

TENNESSEAN 5

# tennessean

*Once again through many trials and tribulations, through thick and thin, by hook or crook, out of a little order and much chaos with tender loving care plus hours of nursing and baby sitting, the TENNESSEAN is being brought to its many publics, the chief of which is the student body of Tennessee Agricultural and Industrial State University at Nashville, Tennessee. It is the sincere hope of the TENNESSEAN staff that all will enjoy and cherish this 1965 edition of "our baby."*

## 1965

# getting in

... is the same as "getting in the act" or "getting into the swim of things" or "stepping into the limelight" or "making hay while the sun shines." At Tennessee State there are countless opportunities open to students for getting in the picture. To accomplish this, the students on our campus who are "up to snuff" or "on the ball" as it were, first get in the habit of being where the picture is, an easy task as the picture is all around and all one needs to do to get in, is step in the right direction at the right time. It is a beautiful picture of access to academic achievement, organized activities, a well-rounded

# the picture...

faculty, cultural advantages, community progress, nationally and internationally recognized physical fitness programs, scholarship advantages, and natural Tennessee beauty. It is a picture to which every student can add his own master stroke. It is a finished picture of already existent advantages and an unfinished picture just waiting for that added touch of each student's own particular brand of genius.

Opportunities abound for every Tennessee State student to take part and to make his presence felt. He may choose the finished or the unfinished, picture but the important thing is GETTING IN THE PICTURE....

# in spirit...

*Whether in the classroom, at a fraternity meeting or at a football game cheering the tigers to victory, the spirit is the thing. The spirit of Tennessee State is exemplified in all of its many and varied activities. It is the duty of each student to become a part of this spirit. . . .*

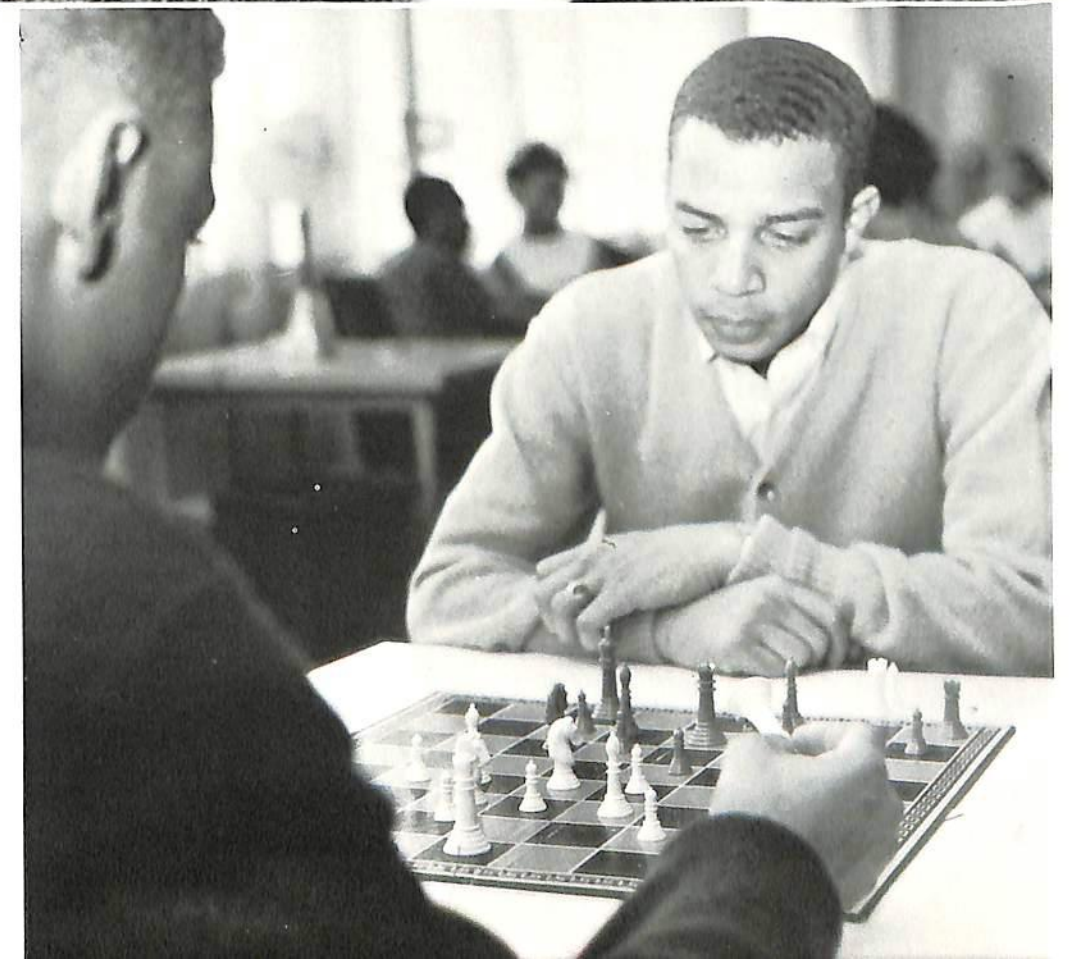

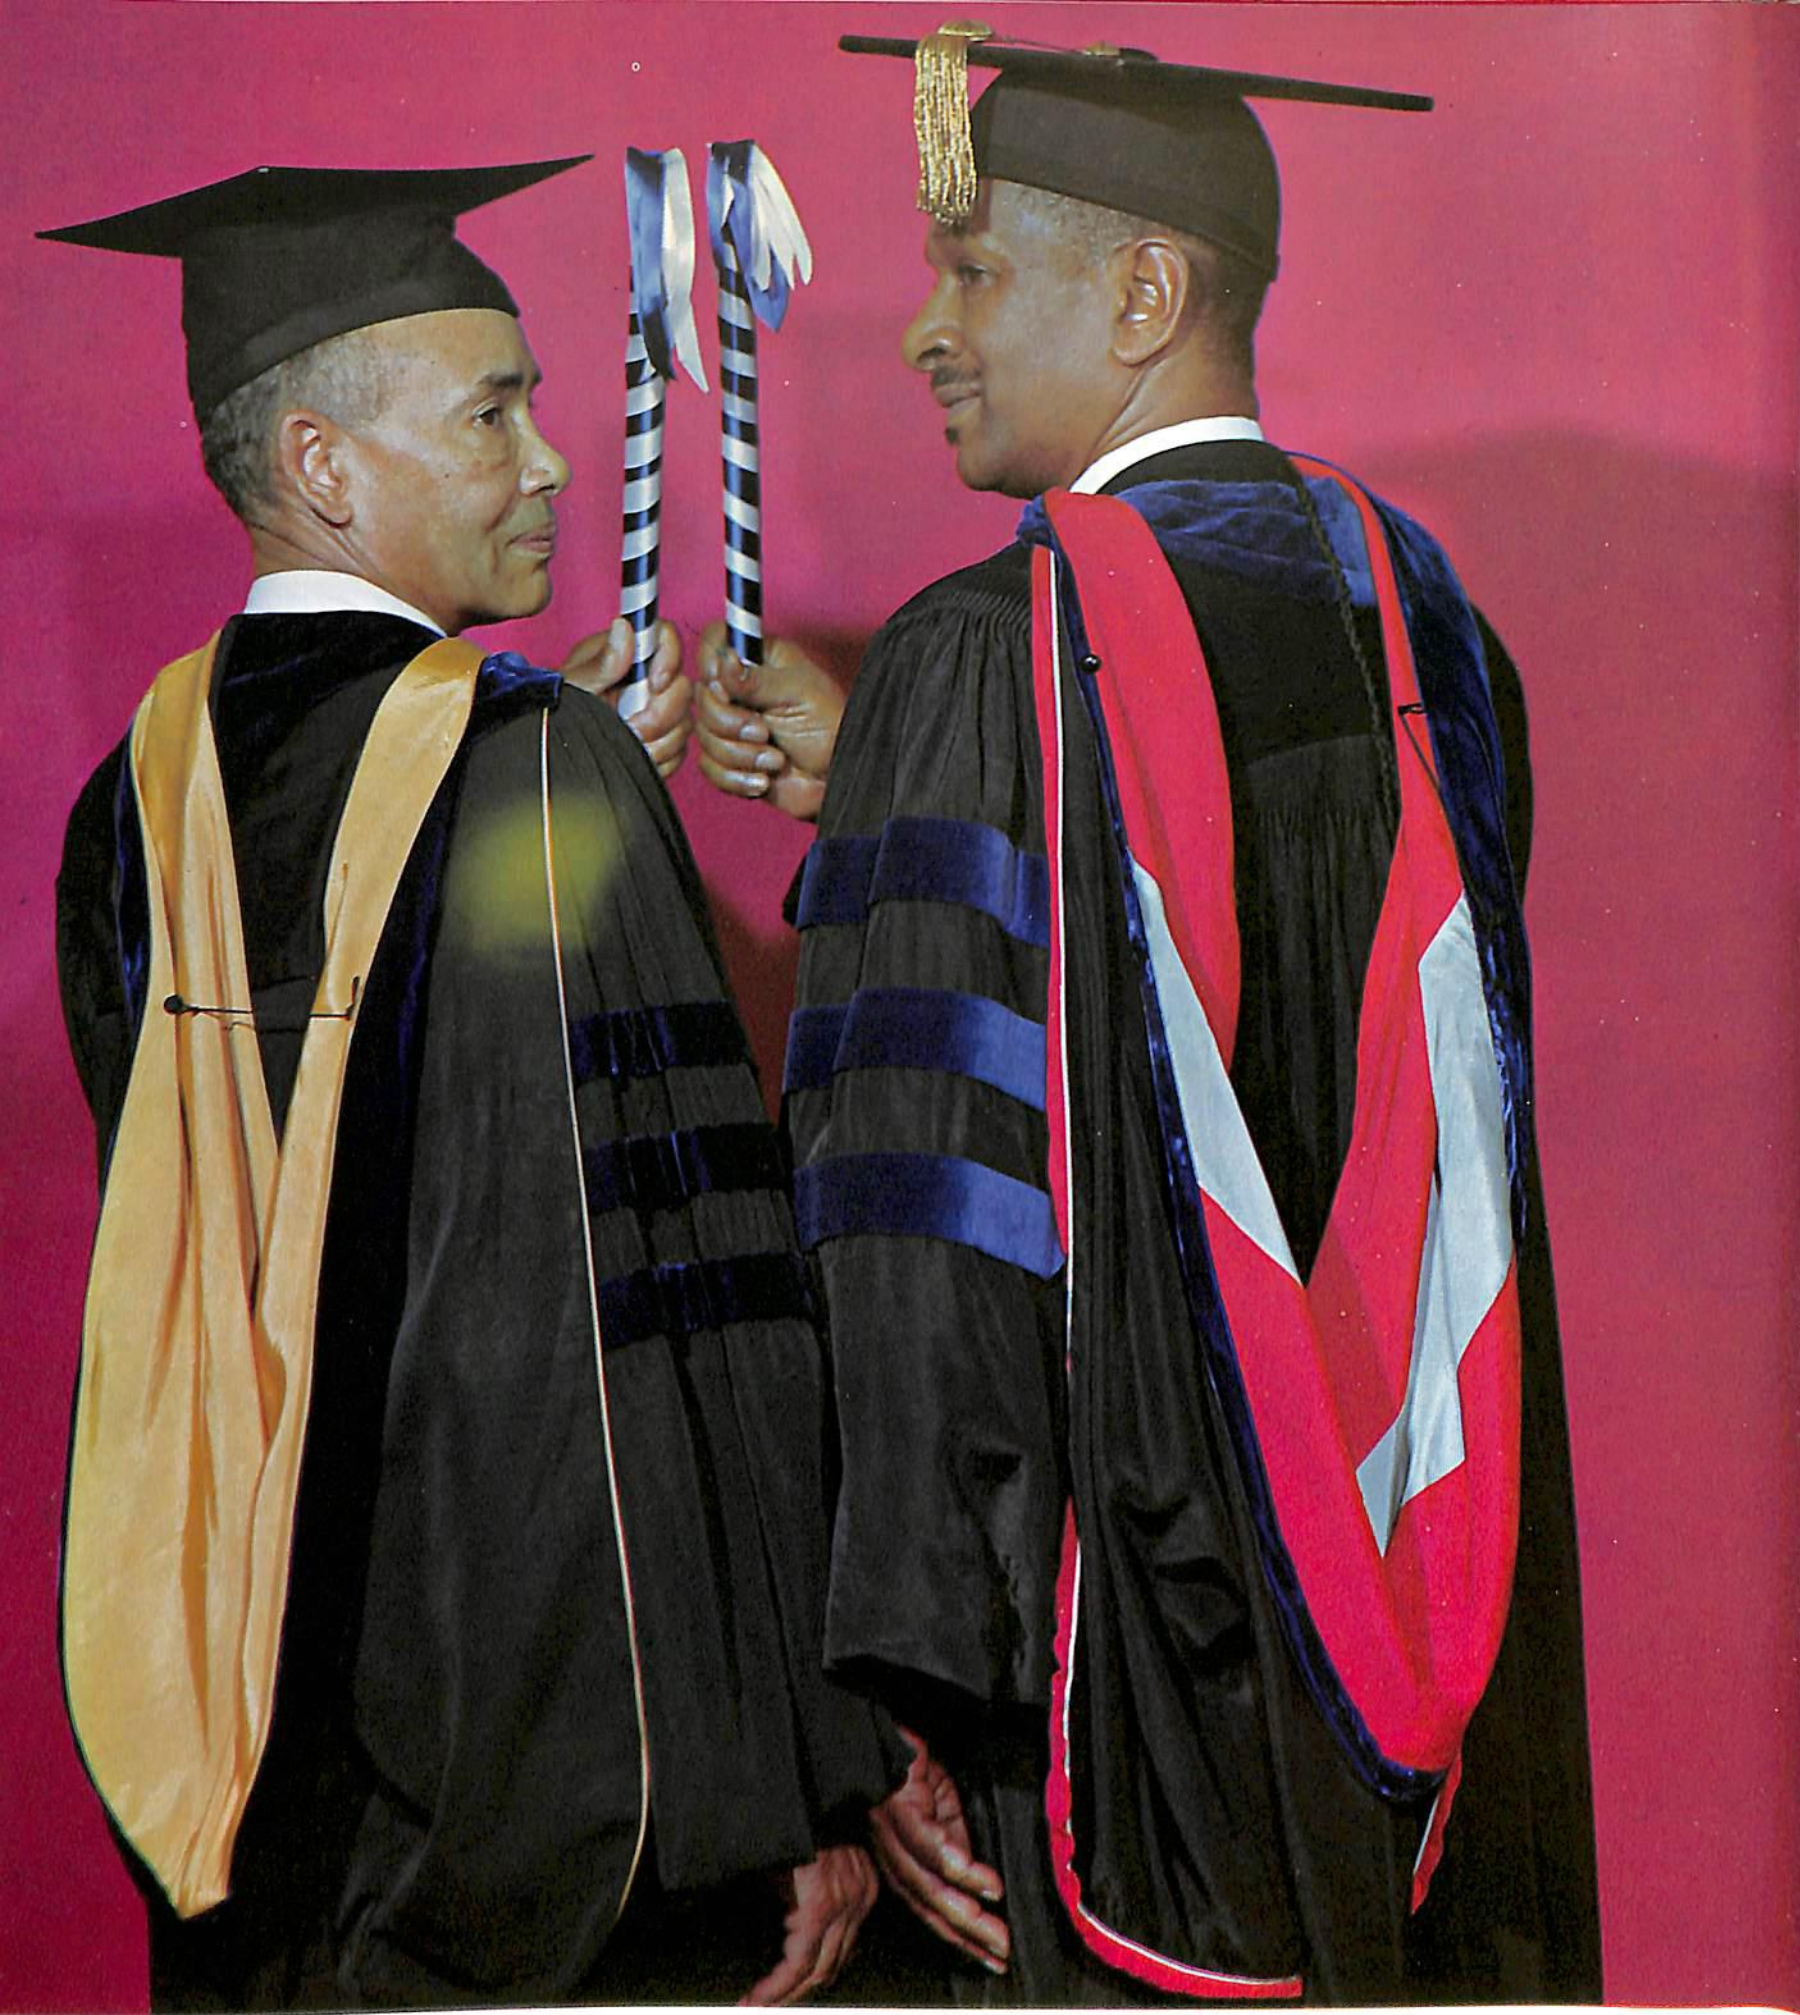

# ... reflectively and

# soulfully

*Whether day-dreaming or in deep concentration, the time often comes for soulful reflection on the things one has done and for the things one plans to do. Is there an apology yet to be made for a past act of callousness? Is there a project ahead which needs a helping hand? One would do well to think on these things, meditate about them but one would do well to refrain from procrastination; one would do well to be up and doing; one would do well to get in the picture. . . .*

# in mind...

*Keep this old adage in mind . . . "An idle mind is the devil's workshop." The mind should be kept agile whether through the pleasure-packed, peaceful pastime of reading, through the adventuresome pasttime of travel or the artful pasttime of lively conversation. At any institution of higher learning, the mind is at once the attention-getter, the workhorse, and the whipping boy. No less so at Tennessee State University where the acquisition of knowledge to feed the mind is the immediate goal of the students enrolled.*

*The academic enjoyment at Tennessee State University is a serious pursuit for those with the insight to look into the future beyond the protective walls of academe, with an eye to business as to their aspirations and fond hopes. The academic picture at Tennessee State is more than adequate for those who partake of its advantages. It is progressive in every sense of the word for those with the maturity to progress in its wake. The mind is a God-given attribute pliable to the point of constant awakenings or complete and utter stultification, whatever the course steered by its owner. The picture is clear—academic advantages are available for every Tennessee State Student. It is up to the individual student to get in the picture—in mind. . . .*

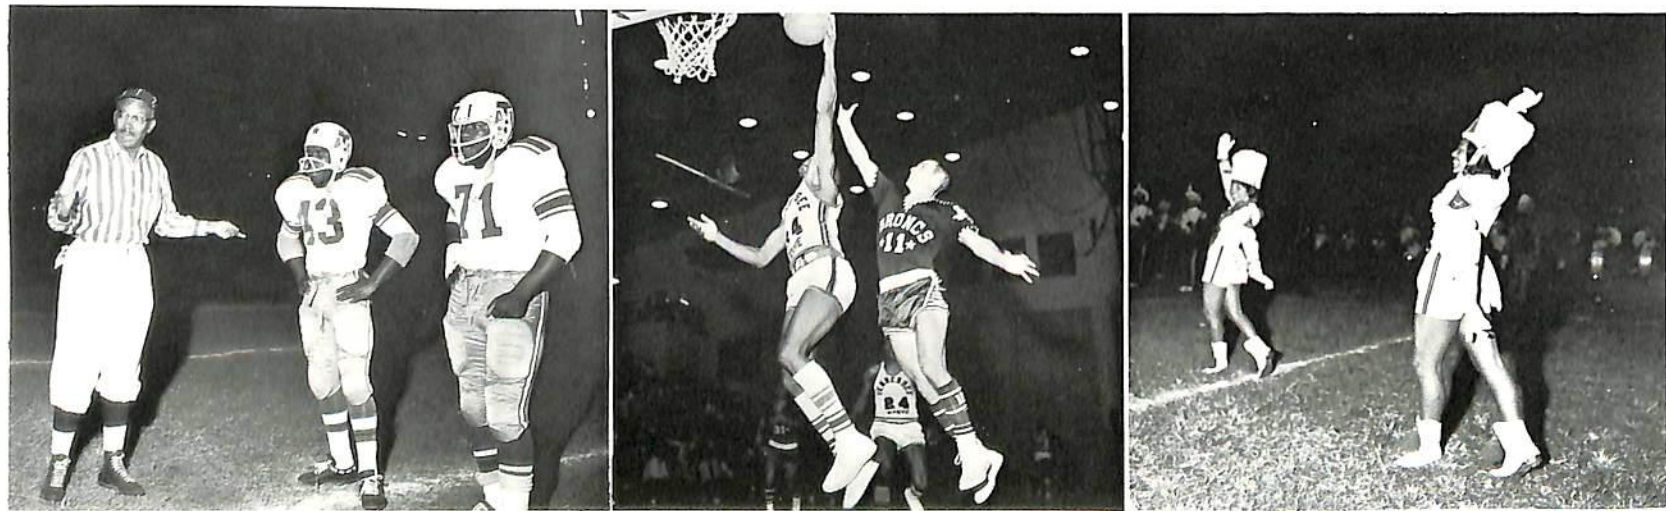

**...academically  
and seriously**

# and in body...

*When the late President John F. Kennedy advocated his Physical Fitness Program as a normal pursuit for all Americans, the project was hailed by Tennessee State University as being "right down our alley."*

*The University has received many national and international plaudits, awards, and trophies for its will and ability to win in athletic endeavors. Nor is the University ever satisfied with a single broken record or a current win. For even before the awards banquets have ended and the steady stream of accolades has dwindled to a trickle, the male and female Tigers of whatever athletic bent are on the prowl for new game to tear into. . . .*

# ...directly and wholeheartedly

*The TENNESSEE State University Tigers are believers in physical participation. With a name to protect and traditions to uphold, the University is not much for "spectatoritis" or sitting back on past laurels. Direct and wholehearted participation in body sports is one well-known way Tennessee State University has of. . . .*

## Dedication

The 1965 TENNESSEAN is lovingly dedicated to a lady who, for twenty years, has lovingly dedicated her time and energy, even after hours, to the affairs of the veterans who have enrolled as students in our University.

Sharing the spotlight with the dedicatee on this page are some of her "boys" who are now employed by the University as faculty and staff members. All were once Tennessee State University students. All are veterans who matriculated here under the honoree's jurisdiction as Director of Veterans' Affairs.

The 1965 Yearbook staff is proud to have the opportunity of extending the honor of dedicating the pages of the 1965 TENNESSEAN to . . .

## Tigers in Win Column Most of Season

by LORRAINE DUNN

Coach John Merritt's gridiron Tigers' 1964 season was marred by only two losses, both by only two points—the first, at the Tigers' fourth outing, at the hands of Grambling by a score of 18-20. The second defeat was handed the Big Blue by a tough Florida A&M eleven, 20-22. Both games were played in enemy territory.

For most of the season, however, Tiger fans were treated to some outstanding football. Tigers to watch and names to remember were Quarterbacks, Howard Finley and Eldridge Dickey, Speedster, Nolan Smith Center, Billy Isabell, and leading ground-gainer Gene Bowen aided by their teammates, as they trampled over the field of opponents, leading statistically all the way in first downs, rushing yardage, passes, pass yardage and pass interceptions.

After the Grambling loss, coach Merritt commented, "I have said all along that we have a young ball club, and they will make mistakes; but you can't make mistakes against a club like Grambling and win."

However the controversial loss to the FAMU Rattlers was a different story. In the game all the way, although they trailed 15-0 at halftime, the Tigers were a constant threat up to the final buzzer.

In the fading minutes of the contest, the officials changed their minds three times on a call against FAMU and coach Merritt's comment after the game was, "This was our ball game and they took it away from us."

A highlight in the Tiger season was the 32-21 win over the Southern University Jaguars before the home crowd. The win represented the breaking of a four year jinx for the Tigers and the first win over the Louisianans for Coach Merritt in his entire coaching career.

Drafted into professional football ranks from the 1964 Tiger lineup were Roosevelt Davis, who went to the Philadelphia Eagles and Robert Reed called in by the Baltimore Colts.

## Twenty-five Games on Hardwood Tigers' Schedule Card!

by LEONARD "STEVE" STEPHENS

The 1964-65 season of the Tennessee State Cagers ended with a record of 15 wins and 10 losses.

Highlights of the season included the opening game with Marion Kay, an AAU team, on which a former Tiger star, William "Bill" Bradley plays. The game displayed an excellent shooting exhibition, which the Big Blue Cagers won by a score of 121 to 120.

The Tiger Hardwood Artists played host to several other AAU teams, but proved to be too much for them. The Tigers also entertained the University of Americas, of Mexico who were making a tour of the United States playing various teams. They too were overpowered by the mighty Tigers by a score of 123 to 81.

During the season Coach Harold Hunter was able to rely on constant scoring from MacArthur Roberts, Edward Johnson, Obie Snyder, Robert Eldridge, (who was unable to finish the season) and Tyrone Clifton. While receiving constant board control from Ed Johnson, (the leader in this department), Henry Watkins, Dwight Waller and Winfred Morris.

Noteworthy contributions were made by William "Bill" Smothers, Lawrence Nixon, and Robert Davis who could only play in non-conference games. William Morrow, Ronald Williams, Drake Hightower, completed the Tigers' strength.

Regular season play ended with a record of 15-wins and 8-losses. The Tigers entered the Mid-western Tournament facing Lincoln University for the first game and Wilberforce for the second. The Tigers lost both games. Dropping the second to Wilberforce by the very close margin of 82 to 81, thus ending the season.

Returning lettermen next year will be MacArthur Roberts, Obie Snyder, Winfred Morris, Edward Johnson, Henry Watkins, Dwight Waller, Drake Hightower, William Morrow, and Robert Eldridge.

## Tigerbelles Make Headlines in Women's Track

by LORRAINE DUNN

This year will be an unforgettable one in the world of sports at Tennessee State as the Tigerbelles led by Atlanta's 100% Wrong Club Track Coach of the Year, Edward S. Temple, won their share of medals in every type of meet imaginable.

Their season began last summer with the October Nationals at Hanford, California where Tigerbelle Wyomia Tyus won the 100m. in 11.5 with Edith McGuire running a close second also with a 11.5. McGuire captured the 200m. with a 23.6 while Vivian Brown copped a second place with a 24.0.

Tigerbelles Tyus, McGuire and Brown qualified for the California-staged U.S. vs Russia meet where McGuire captured both the 100 and 200 meter dashes with 11.5 and 23.3 respectively. Wyomia Tyus captured a second place in the 100 meters and Brown second in the 200m with 11.6 and 23.6 respectively. Both Tyus and McGuire were members of the winning 4x100 m. relay with a time of 44.4 which equalled the World and Olympic records.

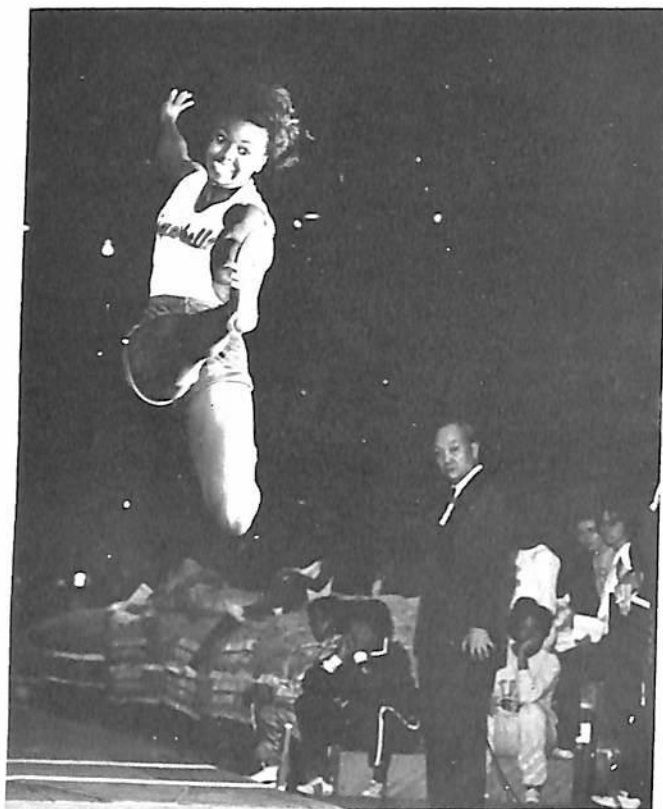

During the Olympic Trials McGuire was again a double winner as she captured the 100m and 200m dashes with 11.3 and 23.4 respectively. Tigerbelle Tyus was third with a 11.5 in the 100 m. and Tigerbelle Brown was third in the 200m with a 23.7. With this performance, they qualified for the 1964 U. S. Olympic Team. Tigerbelle JoAnn Terry also qualified for the team when she captured a third place in the women's running long jump. Tigerbelles Daniel and Dunn qualified as members of the Panamanian Olympic team.

At the Tokyo, Japan 1964 Olympics, Miss Tyus captured a gold medal in the 100m. dash as she set a new Olympic record of 11.2 and tied the World Record held by former Tigerbelle and 1960 Olympic champion Wilma Rudolph. Tigerbelle McGuire not only copped a gold

## Tiger Thinclads Have Winning Ways

by RICHARD KINNEY

The 1965 Mile Relay Team composed of James Garner, James Johnson, Dennis Obregon and Howard Harris got things rolling for the Willie Stevens-Coached Tigers in January as they competed in the Senior Bowl Relays at Mobile, Alabama. The team captured the Mile Relay in record time of 3:11.2. Walter Wilson copped 3rd place in the 880 yard run in the same meet.

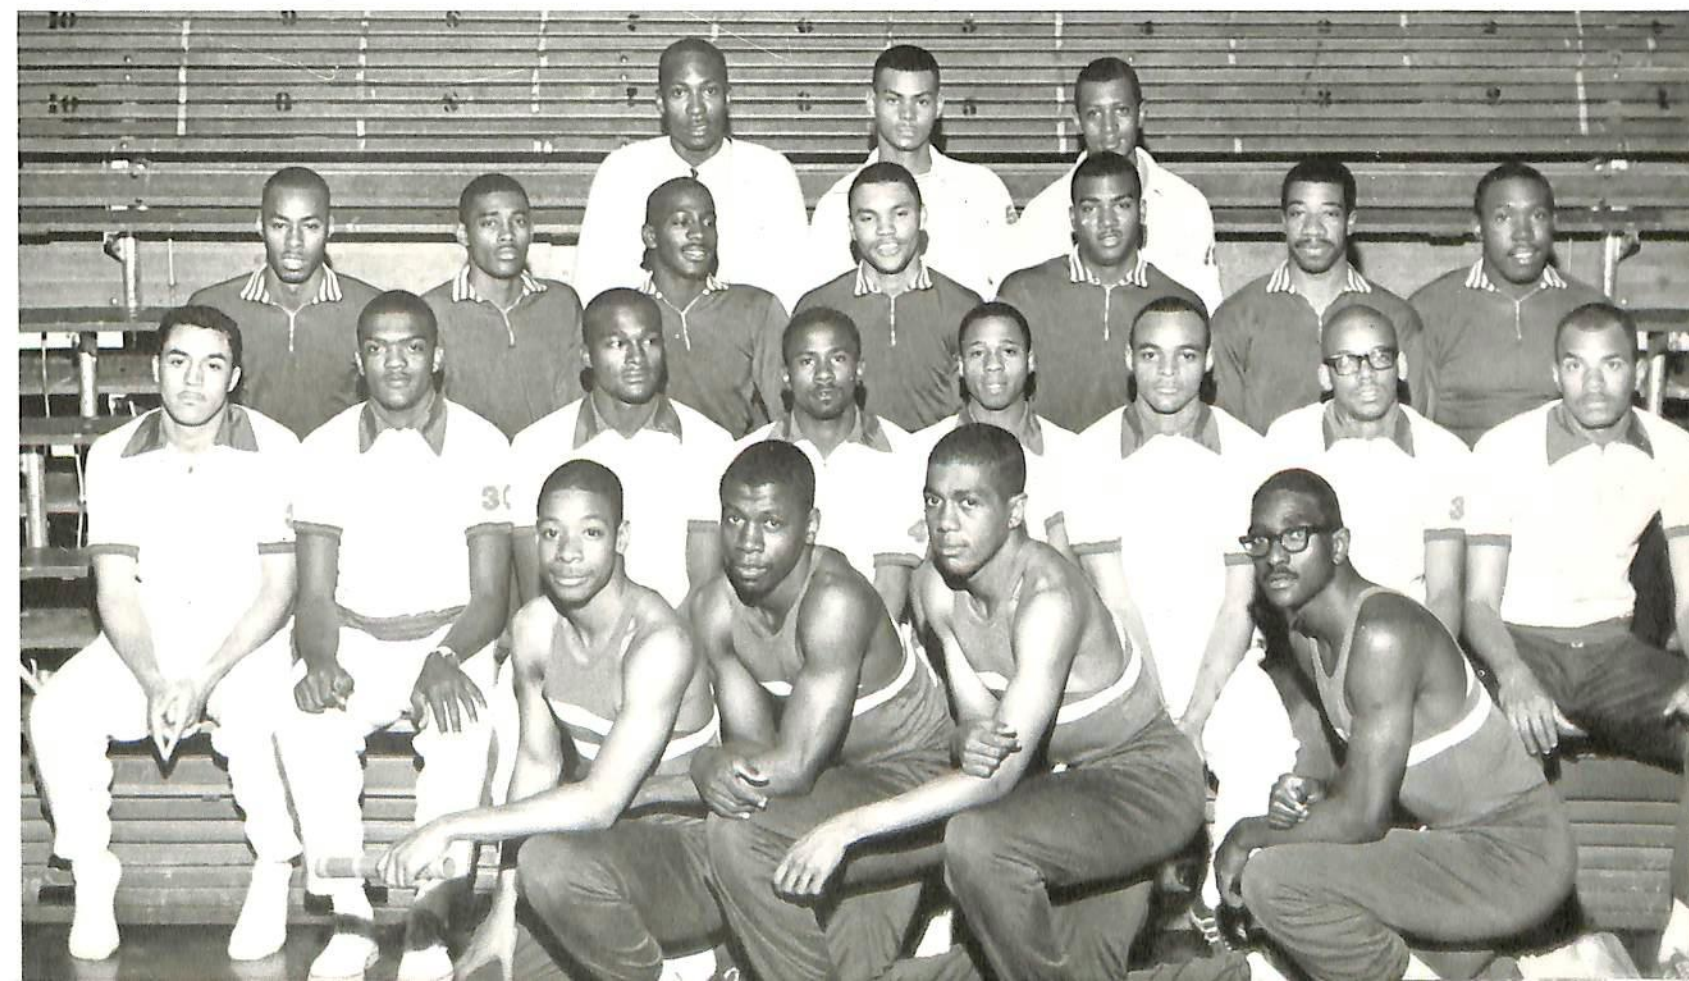

The winning story appeared again in Knoxville, Tennessee Federation Meet as the sprinters showed the field their heels in the sprint relay in a record time of 21.4.

For the first time in history the Stevens-coached crew journeyed to The Memphis, Tennessee Jaycee Meet where the returning lettermen, combined with seven freshmen, out-jumped and out-ran all other competition to walk off with three individual trophies plus the university championship trophy, Walter Wilson again walking off with honors. Wilson was voted the most outstanding athlete of the meet. Both Hurdlers, Lamar Hawthorne, and Marcelous Reed broke records in Knoxville, and Memphis, Tennessee.

The Tiger Thin Clads have adopted the motto, "Fail to prepare, prepare to fail."

## Whitmon-Coached Baseball Tigers Going and Coming

by ROBERT C. SMITH

Coach Raymond Whitmon directed the Tigers to an impressive 12-9 record in '64 after getting off to one of his worst starts in many years. The leading hitter for the season was Joe Mays, a junior from East St. Louis, and the pitching staff was led by Charles Garner with a record of 3-1.

The Tigers will be captained in '65 by Robert Smith, a four-year letterman from Pontiac, Michigan. The outlook for the '65 season looks very impressive with the return of eight lettermen including Elias Diaz, Robert Smith, William Taylor and Lewis Thomas. Coach Whitmon believes that his pitching staff in '65, led by the lefthander Sam Curry, is the most promising during his mentorship at State.

If the '65 season is to be as prosperous as the forecast, Whitmon will have to get superb performances from his returning lettermen and also the team must eliminate one of its weaknesses, that of being slow to start.

# Tigersharks Splash Their Way to Seven Meet Wins

by HENRY FAGIN

The Tigersharks this year finished with a 7-1 record for the 1964-1965 season. There were many outstanding performances this year. In the spotlight for the 200 yard "butterfly," is Richard Hammond, a freshman from Detroit, Michigan.

Hammond also competed in the record-breaking 200 yard "free relay." In many meets, the relay decided a victory or loss for the Tigersharks. The relay team is composed of Howard Baugh, John Swindel, Julian Walton with Richard Hammond and Henry Fagin as alternates.

The Tigersharks are losing three seniors: Frank Pierce, William Walton and Howard Baugh, all top men for the sharks. However, nine are returning next season and great things are expected of lettermen, Frank Swindel, William Walten Jr., Eric Dotson, Howard Patterson, Frank Simmons and Ronald Whiteman.

The Tigersharks were co-captained for the 1964-65 season by Henry Fagin and John Swindel with Henry "Buddy" Taylor, tops in his field, as able trainer and sidekick to veteran Tigershark swimming coach Thomas H. Hughes.

## Air Police

The Air Police Squadron has done an excellent job this year of providing symbolic security at all wing functions and various campus activities such as football games, convocations and lyceum programs. Its membership totals 30.

### OFFICERS

COMMANDING CADET OFFICER: Ct/Capt. Bobby L. Smith; EX. COMMANDING OFFICER: Ct/1st Lt. Thomas J. Flowers; NCOIC: Master/Sgt. Arthur Drayton; ASST. NCOIC: Robert Jones; ADVISOR: Capt. James Hill.

The Arnold Air Society is a national honorary organization of AFROTC Cadets. The Tennessee State Chapter is called the Col. March Banks Squadron whose annual project is to conduct a campus-wide blood drive. This year's drive contributed a record total of 563 pints of blood.

## NCO Academy

### OFFICERS

COMMANDING CADET OFFICER: C/Major Merlton Brandenburg; EXEC. OFFICER: C/1st Lt. Adrian Tatum and C/1st Matthew Taylor; NCOIC: Master/Sgt. Howard McCellan; ADVISOR: Capt. M. V. Ussery.

The NCO Academy is composed of freshman and sophomore cadets who anticipate continuing AFROTC participation into the advanced corps. This year the academy captured the PAS Trophy in Detachment 790's Annual Red Cross Blood Drive for its 100% participation. The academy also served during the football season as the official home game cheering section.

## The Tiger Jets

### OFFICERS

COMMANDER: C/1st Lt. Samuel E. Baldwin; VICE PRES.: C/1st Lt. Harold Hightower; SECRETARY: C/1st Lt. Leroy Cunningham; ADVISOR: Capt. R. Dickerson.

The Tiger Jets (AFROTC Drill Team), this year represented the State of Tennessee at President Lyndon B. Johnson's inaugural parade in Washington, D. C. They are noted for their precision and have performed before audiences countless numbers of times in and out of the state.

Honorary membership in AFROTC Detachment 790's Arnold Air Society was awarded Dean of the Faculty Dr. W. N. Jackson last Fall. Presenting the award on behalf of the Society was Cadet Major Curtiss R. Lee (right) while PAS Lt. Col. Howard L. Baugh looked on. Other faculty members receiving the same honor were Dean of Students Dr. J. A. Payne and Public Relations Director Dr. G. M. Sawyer.

## Cadet Wing Staff

The 790th Cadet Wing Staff is responsible for the appearance, discipline, efficiency, training and conduct of the wing. Members of the staff see to the administering of cadet corps activities according to Air Force principles and procedures.

### OFFICERS

WING COMDR.: C/Col. Richard R. Browning; DEPUTY COMDR.: C/Lt. Col. Lloyd W. Newton; PERSONNEL OFF.: Cadet Maj. Eddie W. Ross; GROUP COMDR.: Cadet Maj. Willburn King; ADVISOR: Capt. Robert T. Dickerson.

By congressional order the Air Science department name was changed to Aerospace Studies this school year. In Aero Space Studies classes such as this one being taught by Major Thomas H. Hodges, the cadet learns to understand the geographical foundations of world political and military power.

Editor's Note To Students: A check of the page numbers after your name will tell you at a glance how much "in the picture" you really are. If your name does not appear in the index at all, then it's time for you to start . . .

GETTING IN THE PICTURE.
