Technology available to students during Covid-19 pandemic

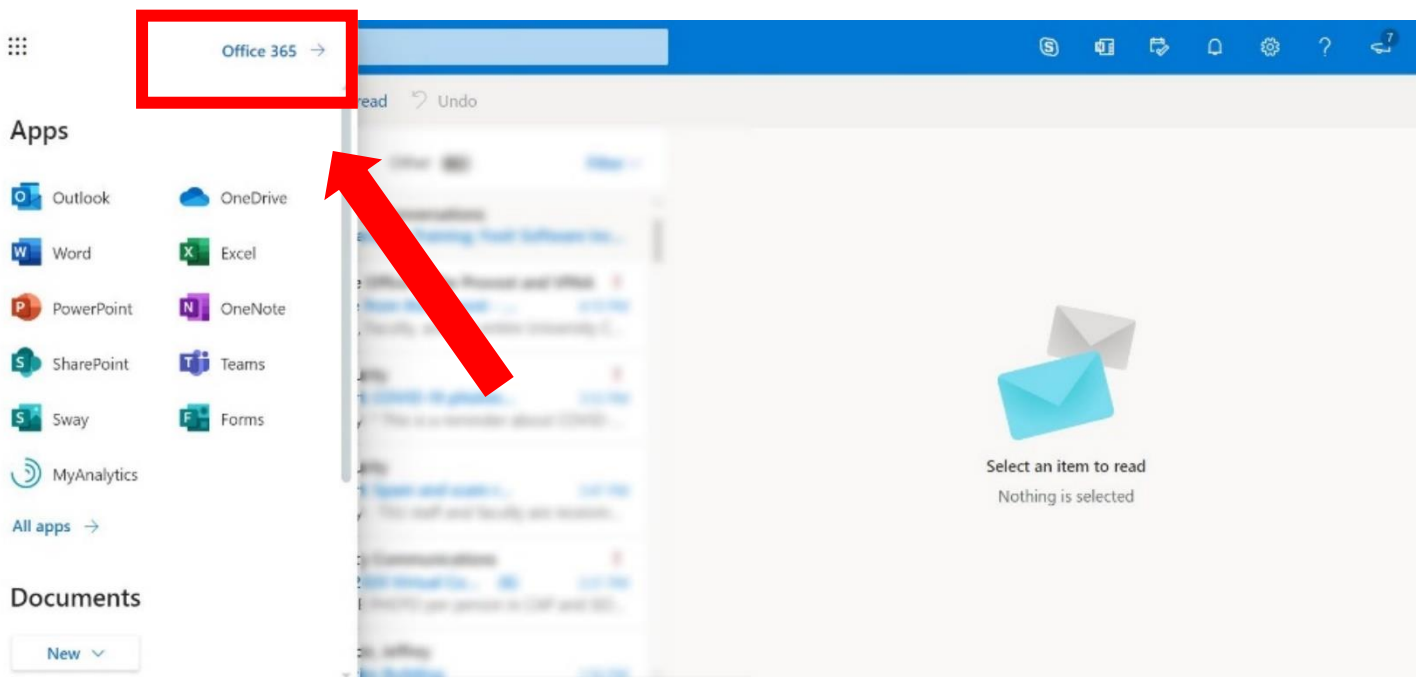

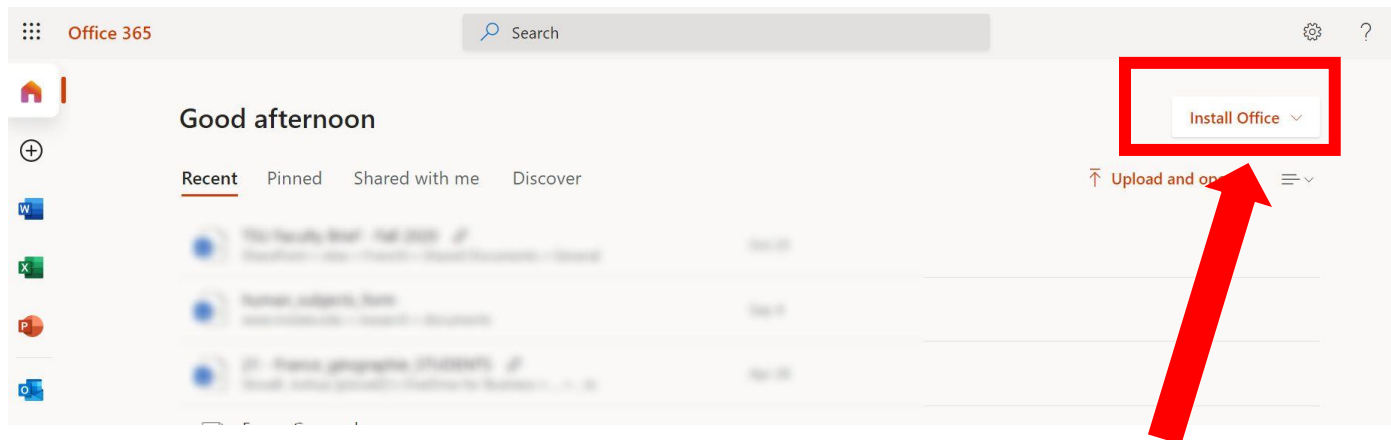

Photo by Marvin Meyer on Unsplash

FREE access to Microsoft Suite: Word, Excel, PowerPoints, One Note, One Drive, etc…
Access your email through http://www.tnstate.edu/. Next, select WEBMAIL.
In the top left corner, select Office 365. ==You can download Office 365 on up to 5 devices==.

One more step on the next page

Genius Scan: for scanning/emailing shorter readings (10 pages or less), professional/administrative docs
https://apps.apple.com/us/app/genius-scan-pdf-scanner/id377672876

Foxit Phantom PDF: just as good as Adobe Pro but much cheaper! Create PDFs, edit the ones you receive, insert or discard pages, etc…

If you register with a .edu email address, you can take advantage of the Educational discount which costs **$10 for a yearly subscription**.
