LADIES' CLUBS TO BE PRESENT: More than 50 public spirited ladies with their clubs consisting of 20 workers will probably all be on hand Sunday. The president of the Ladies' Auxiliary, Mrs. Clemmie White, urges that all be present regardless of progress made in raising funds or organizing clubs. The final word to the ladies' auxiliary will not be given until Sunday. So come to the meeting and don't worry about lack of funds collected.

It Is Understood That Everybody Will Do His or Her Part.
