## Eligibility & Application Process

### Eligibility

POTUS Fellowships are for students pursuing their doctoral degree at TSU in STEM subjects. Currently, Fellowships are offered in Biological Sciences, Physical Therapy, and Engineering. Additional program requirements include:

- African American
- unconditional admission to a TSU doctoral program
- full-time enrollment
- maintain a 3.0 G.P.A. *teaching*
- work 20 hours per week as a ~~graduate~~ or research assistant
- complete scholarly works
- attend enrichment seminars & ~~workshops~~ *professional development workshops*

### How to Apply

Upon receiving unconditional admission to the TSU Graduate School and the department, prospective applicants should submit the following application materials:

1. Graduate Assistant Application
2. Current CV/Resume
3. Copy of most recent transcript (unofficial copy acceptable)
4. Name & contact information for two professional references
5. Cover letter describing your interest in becoming a POTUS Fellow

Submit application to:  
Dr. Andrea Tyler  
Director of Graduate Student Services
