There is a website designed to allow students to take Praxis preparation tests on the website that can be used prior to actually taking the exam. The website is [www.praxisdleadership.com](http://www.praxisdleadership.com). Once you have accessed the website, click “sign up now” to create a new account. Under step 1 you can select an assessment. Find the test that matches the required test code for Tennessee Professional School Counselors. Once you have selected the test, you can select to take an exam. The tests are now \$13.95 each. It is recommended you pay the larger amount for the bundle and take more than just one practice test.
