PARTICIPANT LIST

Leah Alexander, Ph.D.

Assistant Professor
Meharry Medical College
Email: lalexander@mmc.edu
Telephone: (615) 327-5839

Current primary research endeavors: Health Disparities HIV
Area(s) to further research: Behavioral and Cognitive Sciences Research

Anita Austin, Ph.D.

Assistant Professor
Meharry Medical College
Email: aaustin@mmc.edu
Telephone: (615) 327-6418

Current primary research endeavors: Using several innovative techniques to enhance comprehension
Area(s) to further research: Behavioral and Cognitive Sciences Research

John Barfield

Director, Engagement and Visibility
Tennessee State University
Email: jbarfield@tnstate.edu
Telephone: (615) 963-2291

Current primary research endeavors: Centers
Area(s) to further research: Social Science Research; Behavioral and Cognitive Sciences Research; and Economic Science Research

Brenda Batts

Director, Clinical Education, Cardio-Respiratory Science

Tennessee State University

Email: bbatts1@tnstate.edu

Telephone: (615) 963-1240

Current primary research endeavors: Currently interested in development interactive class-room teaching models for cardio-respiratory therapy program students

Area(s) to further research: Behavioral and Cognitive Sciences Research

Deborah Bellamy

Adult Student Retention Coordinator

Tennessee State University

Email: dbellamy@tnstate.edu

Telephone: (615) 963-7365

Current primary research endeavors: Assisted with the writing for TSU to become a "Certified Vets Campus, and a grant for redesigning some general education courses to be aimed for adult students

Area(s) to further research: Social Science Research; and Behavioral and Cognitive Sciences Research

Ghan Bhatt, Ph.D.

Associate Professor

Tennessee State University

Email: gbhatt@tnstate.edu

Telephone: (615) 712-6572

Current primary research endeavors: Data compression, compressed sensing

Area(s) to further research: Social Science Research; and Economic Science Research

Orville Bignall, Ph.D.

Assoc. Prof. of Physics

Tennessee State University

Email: obignall@tnstate.edu

Telephone: (615) 963-5021

Current primary research endeavors: Radon in water, radon in well water, risk calculations, water quality, radioactivity, Rad7

Area(s) to further research: Social Science Research

Jewell Brazelton, Ph.D.

Professor, Behavioral Studies

American Baptist College

Email: jbrazelton@abcnash.edu

Telephone: (773) 301-3913

Current primary research endeavors: African American Women, Child Sexual Abuse, Domestic Violence, Homelessness, and Trauma

Area(s) to further research: Social Science Research; and Behavioral and Cognitive Sciences Research

Valerie Brock

Assistant Professor
Tennessee State University
Email: vbrock@tnstate.edu
Telephone: (615) 963-7429

Celeste Brown, Ed.D.

Coordinator
Tennessee State University
Email: clindsey01@tnstate.edu
Telephone: (615) 364-8375

Current primary research endeavors: Learning Sciences, Education, ECED, K-12 STEM
Area(s) to further research: Social Science Research; Behavioral and Cognitive Sciences Research; and Economic Science Research

Leigh Ann Bynum, Ph.D.

Assistant Professor
Belmont University
Email: leighann.bynum@belmont.edu
Telephone: (615) 460-6587

Current primary research endeavors: Student perceptions of HIV/AIDS related issues and workplace citizenship behaviors
Area(s) to further research: Social Science Research

Carol Campbell

Assistant Professor, Nursing
Tennessee State University
Email: ccampbell6@tnstate.edu
Telephone: (615) 476-1015

Current primary research endeavors: Barriers to effective Leadership in Nursing Academics
Area(s) to further research: Behavioral and Cognitive Sciences Research

Reginald Cannon

Electronic Records Manager
Tennessee State University
Email: rcannon@tnstate.edu
Telephone: (615) 277-1606
Area(s) to further research:

Behavioral and Cognitive Sciences Research

Eckton Chinyanga

Graduate Assistant
Tennessee State University
Email: el.chinyanga@yahoo.com
Telephone: (615) 810-6451

Current primary research endeavors: Multicultural education, Economic development in African countries
Area(s) to further research: Social Science Research; and Economic Science Research

Lesia Crumpton-Young, Ph.D.

Vice President, Research and Sponsored Programs
Tennessee State University
Email: dryoung@tnstate.edu
Telephone: (615) 963-7644

David Danner, J.D.

Grants and Contracts Specialist
Tennessee State University
Email: ddanner@tnstate.edu
Telephone: (615) 963-2934

Current primary research endeavors: Research Administration. Contracts. Compliance.
Commercialization. Teaching
Area(s) to further research: Social Science Research; Behavioral and Cognitive Sciences
Research; and Economic Science Research

Phyllis Danner

Director
Tennessee State University
Email: pdanner@tnstate.edu
Telephone: (615) 963-1621

Green Ekadi, Ph.D.

Assistant Professor
Meharry Medical College
Email: gekadi@mmc.edu
Telephone: (615) 327-5516

Current primary research endeavors: Health Disparities with emphasis on small area analysis (focus on
county and zip code geographies)
Area(s) to further research: Social Science Research; and Economic Science Research

Shabnam Etemadi

Graduate Student & Assistant
Tennessee State University
Email: shabnam.etemadi@gmail.com
Telephone: (615) 596-4921

Current primary research endeavors: Grant work with Dr. Lesia Crumpton-Young on SEaRCH, BD,
ADVANCE, EHR, and Mentoring practices.
Area(s) to further research: Social Science Research

Chunxing Fan, Ph.D.

Department Chair
Tennessee State University
Email: cxfan000@gmail.com
Telephone: (615) 692-1861

Current primary research endeavors: I have published articles in various refereed journals. I am an
Area Editor of Annals of Management Science.
Area(s) to further research: Social Science Research; and Economic Science Research

Chris Farrell, Ph.D.

Emeritus Professor of Environment

Trevecca Nazarene University

Email: cfarrell@trevecca.edu

Telephone: (615) 335-4534

Current primary research endeavors: Reduce Latino tendency toward diabetes and obesity by growing Hispanic crops with better taste and nutrition on Trevecca Urban farm and teaching 40 families.

Area(s) to further research: Social Science Research; Behavioral and Cognitive Sciences Research; and Economic Science Research

Francis Fekel, Ph.D.

Research Specialist

Tennessee State University

Email: ffekel@tnstate.edu

Telephone: (615) 277-1610

Current primary research endeavors: Publish research on the basic properties of stars.

Cynthia Gadsden

Assistant Professor, Art

Tennessee State University

Email: cgadsden@tnstate.edu

Telephone: (615) 963-7508

Terrie Gibson, Ph.D.

Assistant Professor

Tennessee State University

Email: tgibson2@tnstate.edu

965-7095

Current primary research endeavors: Cognitive disorders, normal aging, bilingual development, TBI

Area(s) to further research: Social Science Research; and Behavioral and Cognitive Sciences Research

Dwight Gordon

Financial Analyst

Tennessee State University

Email: dgordon3@tnstate.edu

Telephone: (615) 963-1674

Darreon Greer, Sr.

Doctoral Student

Tennessee State University

Email: darreongsr@yahoo.com

Telephone: (615) 738-8668

Current primary research endeavors: Social Justice, At Risk Development Youth (Overall & Youth of Ethnic Origin)

Area(s) to further research: Social Science Research

Gregory Henry

Research Scientist

Tennessee State University

Email: gregory.w.henry@gmail.com

Telephone: (615) 277-1616

Current primary research endeavors: Astronomy, sun-like stars, search for planets

Amelia Hunter, J.D.

Director, Research & Sponsored Programs

Fisk University

Email: ahunter@fisk.edu

Telephone: (615) 329-8537

Current primary research endeavors: Facilitate Research in the STEM areas

Area(s) to further research: Social Science Research; Behavioral and Cognitive Sciences Research; and Economic Science Research

Sajid Hussain, Ph.D.

Associate Professor

Fisk University

Email: shussain@fisk.edu

Telephone: (615) 944-6610

Current primary research endeavors: Big Data Management, Bioinformatics, Cyber security, Computing Education

Area(s) to further research: Behavioral and Cognitive Sciences Research

Michael Ivy, Ph.D.

Professor

Tennessee State University

Email: mivy@tnstate.edu

Telephone: (615) 963-7796

Current primary research endeavors: I conduct research focused on chemical and behavior neuroscience involving protein trafficking.

Area(s) to further research: Behavioral and Cognitive Sciences Research

Kiesa Kelly, Ph.D.

Chair, Psychology Department

Tennessee State University

Email: kkelly5@tnstate.edu

Telephone: (615) 636-3320

Current primary research endeavors: R25 for Neuroscience Education, culturally competent teaching

Area(s) to further research: Social Science Research; and Behavioral and Cognitive Sciences Research

Barbara Kilbourne, Ph.D.

Professor of Sociology

Tennessee State University

Email: bkilbourne@tnstate.edu

Telephone: (615) 305-9388

Current primary research endeavors: Look at the specific mechanisms that education affects health.

Area(s) to further research: Social Science Research

Tonya Kilpatrick

Director 1890 Dept.
Tennessee State University
Email: tkilpatr@tnstate.edu
Telephone: (615) 963-5527

Kimberly King-Jupiter, Ph.D.

Executive Director, Research & Spon Prgs
Tennessee State University
Email: kkingjup@tnstate.edu
Telephone: (615) 277-1684

Jiann-Shiun Lew, Ph.D.

Research Specialist
Tennessee State University
Email: lew@coe.tsuniv.edu
Telephone: (615) 277-1607
Current primary research endeavors: Structural health monitoring, Modeling and Control

Germysa Little

Undergraduate Student
Tennessee State University
Email: Germysaemily@gmail.com
Telephone: (618) 670-3342
Current primary research endeavors: An investigation of the best mentoring practices
Area(s) to further research: Social Science Research

Millicent Lownes-Jackson, Ph.D.

Dean, College of Business
Tennessee State University
Email: mlownes@tnstate.edu
Telephone: (615) 963-7124
Area(s) to further research: Social Science Research; Behavioral and Cognitive Sciences Research; and Economic Science Research

Ezell Lundy

Adjunct Professor
Tennessee State University
Email: elundy@tnstate.edu
Telephone: (615) 818-3087
Current primary research endeavors: Research that will elucidate the pathways involved in the relationship between education and health outcomes.
Area(s) to further research: Social Science Research

Lauren Lunsford, Ph.D.

Associate Dean

Belmont University

Email: lauren.lunsford@belmont.edu

Telephone: (615) 460-6230

Current primary research endeavors: K-12 education related issues

Area(s) to further research: Social Science Research; and Behavioral and Cognitive Sciences Research

Maria de Fatima Lima, Ph.D.

Dean, School of Graduate Studies and Research

Meharry Medical College

Email: mflima@mmc.edu

Telephone: (615) 327-6533

Nannette Carter Martin

Resource Mgt Specialist

Tennessee State University

Email: nmartin@tnstate.edu

Telephone: (615) 963-5827

Norma Mason

Program Manager

Tennessee State University

Email: nmason3@tnstate.edu

Telephone: (615) 277-1636

Area(s) to further research: Behavioral and Cognitive Sciences Research

Shelia Maxwell

Research Specialist

Tennessee State University

Email: smaxwell2@tnstate.edu

Telephone: (615) 963-5630

Monique McCallister, Ph.D.

Research Compliance Coordinator

Tennessee State University

Email: mmccalli@tnstate.edu

Telephone: (615) 963-7619

Current primary research endeavors: Research Compliance

Area(s) to further research: Social Science Research; Behavioral and Cognitive Sciences Research; and Economic Science Research

Oscar Miller, Ph.D.

Department Head, Sociology

Tennessee State University

Email: omiller@tnstate.edu

Telephone: (615) 963-5559

Current primary research endeavors: Student Retention, Organizational Culture and Effectiveness

Area(s) to further research: Social Science Research

Michael Montgomery, Ph.D.

Associate Professor

Tennessee State University

Email: mmontgomery@tnstate.edu

Telephone: (615) 963-5588

Current primary research endeavors: My research is in the discipline of criminal justice and is mostly focused on field of corrections.

Area(s) to further research: Social Science Research

Evangeline Motley-Johnson, Ph.D.

Associate Dean SOGSR

Meharry Medical College

Email: emotley@mmc.edu

Telephone: (615) 327-6527

Current primary research endeavors: Biomedical Research, cardiovascular physiology.

Area(s) to further research: Social Science Research; and Behavioral and Cognitive Sciences Research

Matthew Muterspaugh, Ph.D.

Interim Director, COE-ISEM

Tennessee State University

Email: matthew1@coe.tsuniv.edu

Telephone: (615) 715-8448

Current primary research endeavors: Astronomy, precision optical instrumentation, information systems

Samuel Nahashon, Ph.D.

Professor and Interim Head

Tennessee State University

Email: snahashon@tnstate.edu

Telephone: (615) 963-5829

Current primary research endeavors: Elucidating nutrient signaling of key metabolic pathways to improve poultry production performance

David Padgett, Ph.D.

Associate Professor

Tennessee State University

Email: dpadgett@tnstate.edu

Telephone: (615) 516-8364

Current primary research endeavors: Social and Behavior Sciences, Geosciences, GLOBE Program, Geospatial Technology

Area(s) to further research: Social Science Research

LaDonna Palms

Administrative Assistant IV

Tennessee State University

Email: lpalms1@tnstate.edu

Telephone: (615) 963-5530

Marion Pratt, Ph.D.

Grants Resource Officer

Vanderbilt University

Email: marion.pratt@vanderbilt.edu

Telephone: (615) 343-9612

Current primary research endeavors: I am working on refugee issues myself, but my primary interest is in the many topics my grad students and faculty work on.

Area(s) to further research: Social Science Research

E. Kelly Sanford, Ph.D.

Professor of Sociology

Tennessee State University

Email: ekelkysanford@gmail.com

Telephone: (615) 944-0220

Current primary research endeavors: Health and wellness disparities of African Americans and onset of chronic illnesses. Poverty / racism associations

Area(s) to further research: Social Science Research

Erik Schmeller, Ph.D.

Professor of History

Tennessee State University

Email: eschmeller@tnstate.edu

Telephone: (615) 963-5510

Current primary research endeavors: Immigration, conspiracy theories, university level text books, teaching

Area(s) to further research: Social Science Research

Rebecca Selove, Ph.D.

Research Associate Professor

Tennessee State University

Email: rselove@tnstate.edu

Telephone: (615) 963-2558

Current primary research endeavors: Effectively implementing behavioral interventions to reduce cancer disparities, focusing on tobacco use prevention & cessation, and improving survivor outcomes

Area(s) to further research: Social Science Research; and Behavioral and Cognitive Sciences Research

Josh Shive, Ph.D.

Associate Professor

Tennessee State University

Email: jshive@tnstate.edu

Telephone: (615) 963-5160

Current primary research endeavors: My current project uses auditory psychophysics to estimate the minimum offset asynchrony required to detect that two tones end at different times.

Area(s) to further research: Behavioral and Cognitive Sciences Research

Amy Sibulkin, Ph.D.

Professor of Psychology
Tennessee State University
Email: asibulkin@comcast.net
Telephone: (615) 516-3366

Current primary research endeavors: Factors predicting adoption of a plant-based diet and effects of increased adoption on environmental, health, psychological, and economic outcomes.
Area(s) to further research: Behavioral and Cognitive Sciences Research

Debra Smart

Assistant Professor
Tennessee State University
Email: dsmart@tnstate.edu
Telephone: (615) 963-5955

Current primary research endeavors: Violence reduction – Intimate Partner and Domestic Violence, Reformation of Batterers
Area(s) to further research: Social Science Research

Tina Smith, Ph.D.

Head
Tennessee State University
Email: tsmith31@tnstate.edu
Telephone: (615) 963-7057

Current primary research endeavors: My primary research endeavors are in the area of treatment efficacy with individuals with strokes and concussions
Area(s) to further research: Behavioral and Cognitive Sciences Research

DeWayne Stallworth, Ph.D.

Professor
American Baptist College
Email: dstallworth@abcnash.edu
Telephone: (334) 507-2357

Current primary research endeavors: Currently co-editing a Pastoral Care and Counseling (Anthology) textbook
Area(s) to further research: Behavioral and Cognitive Sciences Research

Mohammed Taibatai, Ph.D.

Professor, Biostatistics
Meharry Medical College
Email: mtabatabai@mmc.edu
Telephone: (615) 327-6622

Tiffany Taylor

Senior Compliance Officer
Tennessee State University
Email: ttaylo53@tnstate.edu
Telephone: (615) 963-2557

Thyniece Taylor-Bowden, Ph.D.

Postdoctoral Research Associate
Tennessee State University
Email: ttaylor8@tnstate.edu
Telephone: (615) 963-5601

Christine Trupin, Ph.D.

Assistant Professor
Meharry Medical College
Email: ctrupin@mmc.edu
Telephone: (615) 327-6528

Current primary research endeavors: Evaluations of health training and public health programs
Area(s) to further research: Social Science Research

Shtrena Tucker

Administrative Assistant
Tennessee State University
Email: stucker@tnstate.edu
Telephone: (615) 963-7631

Andrea Tyler, Ph.D.

Director
Tennessee State University
Email: atyler2@tnstate.edu
Telephone: (615) 963-5767
Current primary research endeavors:

Area(s) to further research:

Graduate student access and outcomes in STEM; student and faculty voice, mentoring relationships; race/gender/class equity in PSE, and identity formation
Social Science Research; and Behavioral and Cognitive Sciences Research

Corrine Vaughn

Director
Tennessee State University
Email: svaughn@tnstate.edu
Telephone: (615) 277-1672

Carlos Virgous

Director, Animal Care
Meharry Medical College
Email: cvirgous@mmc.edu
Telephone: (615) 327-6070

William Washington, Ph.D.

Professor
Meharry Medical College
Email: Telephone: (615) 327-6634
Current primary research endeavors:
Area(s) to further research:

Health Manpower, Health care seeking activities
Social Science Research

Elizabeth Williams, Ph.D.

Assistant Professor

Tennessee State University

Email: ewilli18@tnstate.edu

Telephone: (615) 963-7222

Current primary research endeavors: Cancer control and survivorship, health and health technology, workforce diversity through training high school and undergraduate students

Area(s) to further research: Social Science Research; and Behavioral and Cognitive Sciences Research

Michael Williamson

Research Associate

Tennessee State University

Email: michael.h.williamson@gmail.com

Telephone: (615) 562-7812

Current primary research endeavors: Automated astronomy. Astronomical instrumentation. Telescope software.

Other Interested Faculty and Staff

Isaac Addae

Assistant Professor

Tennessee State University

Email: iaddae@tnstate.edu

Telephone: (615) 838-7363

Current primary research endeavors: Entrepreneurship, social entrepreneurship, social enterprises, opportunity recognition, social networks, technology, strategy, international business

Area(s) to further research: Social Science Research

Guinevere Bennett, M.D.

Assistant Professor

Tennessee State University

Email: gbennett@tnstate.edu

Telephone: (615) 963-7490

Current primary research endeavors: Ergonomics in the student populations, student participation in research, unique learning tools for student learning styles

Area(s) to further research: Behavioral and Cognitive Sciences Research

Carwil Bjork-James, Ph.D.

Assistant Professor

Vanderbilt University

Email: c.bjork-james@vanderbilt.edu

Telephone: (510) 725-1325

Current primary research endeavors: Social movements, indigenous rights, extractive industries, use of space, Bolivia, state management of conflicts

Area(s) to further research: Social Science Research

Matthew Blair, Ph.D.

Assistant Professor

Tennessee State University

Email: mblair@tnstate.edu

Telephone: (615) 554-4139

Current primary research endeavors: Agricultural plant genomics, plant physiology, disease resistance in plants, nematode resistance in plant roots, plant adaptation

Area(s) to further research: Social Science Research

Sam Dennis, Ph.D.

Associate Professor

Tennessee State University

Email: sdennis@tnstate.edu

Telephone: (615) 963-5822

Current primary research endeavors: Water quality- monitoring surface water for pharmaceuticals @ watershed scale

Area(s) to further research: Social Science Research

Julie Dunlap

Director of Social Responsibilities

Fathom PBC

Email: Julie@fathompbc.org

Telephone: (615) 967-0366

Current primary research endeavors: We are implementing and evaluating a social entrepreneurship enrichment program for Nashville high school students.

Area(s) to further research: Social Science Research; and Economic Science Research

Marlaine Ells

Doctoral Student EDAD

Tennessee State University

Email: marlaine.ells@mnps.org

Telephone: (615) 351-7060

Current primary research endeavors: International Studies. Specifically: International Baccalaureate Diploma Program - IB DP Alumni Perspectives

Area(s) to further research: Social Science Research

Aliyar Fouladkhah, Ph.D.

Assistant Professor

Tennessee State University

Email: afouladk@tnstate.edu

Telephone: (970)690-7392

Current primary research endeavors: Epidemiology and Regulatory Affairs

Area(s) to further research: Social Science Research

Carla Gibbs

Student

Meharry Medical College

Email: cgibbs15@email.mmc.edu

Area(s) to further research: Social Science Research

Aditya Khanal, Ph.D.

Assistant Professor

Tennessee State University

Email: akhanal1@tnstate.edu

Telephone: (615) 963-4986

Current primary research endeavors: Agribusiness finance, small farm business, income and price risks in agriculture, food demand and security, economic development

Area(s) to further research: Social Science Research; and Economic Science Research

Agnes Kilonzo-Nthenge, Ph.D.

Associate Professor

Tennessee State University

Email: akilonzonthenge@tnstate.edu

Telephone: (615) 963-5437

Current primary research endeavors: Foodborne pathogens, antibiotic resistance, fresh produce, meats, farmers

Area(s) to further research: Social Science Research

Tultul Nayyar, Ph.D.

Assistant Professor & Director, MHS

Meharry Medical College

Email: tnayyar@mmc.edu

Telephone: (615) 327-6898

Current primary research endeavors: Depression in reproductive women
Area(s) to further research: Behavioral and Cognitive Sciences Research

Pius Nde, Ph.D.

Assistant Professor

Meharry Medical College

Email: pnnde@mmc.edu

Telephone: (615) 327-6997

Current primary research endeavors: Molecular mechanism of environmentally induced pathology.
Area(s) to further research: Behavioral and Cognitive Sciences Research

Veronica Oates, Ph.D.

Associate Professor

Tennessee State University

Email: voates@tnstate.edu

Telephone: (615) 963-5625

Current primary research endeavors: Weight Management & Diet-related chronic disease prevention
Area(s) to further research: Behavioral and Cognitive Sciences Research

Josie Scales, Ph.D.

Professor of Sociology

Tennessee State University

Email: JScales@tnstate.edu

Telephone: (615) 423-5199

Current primary research endeavors: My research areas include cancer rates and hypertension rates among African Americans
Area(s) to further research: Social Science Research

Elyse Shearer, Ph.D.

Assistant Professor

Tennessee State University

Email: eshearer1@gmail.com

Telephone: (615) 963-4933

Current primary research endeavors: Postpartum weight loss, inflammation, metabolic syndrome, diet quality
Area(s) to further research: Behavioral and Cognitive Sciences Research

Karen Sloan-Brown, Ed.D.

Lab Coordinator

Meharry Medical College

Email: kdbrown@mmc.edu

Telephone: (615) 327-6091

Current primary research endeavors: Education economics
Area(s) to further research: Social Science Research; and Economic Science Research

Felita Smith

Senior Office Assistant
Tennessee State University
Email: fturner3@tnstate.edu
Telephone: (615) 963-5127

Lin Venable

Interim Program Director
Tennessee State University
Email: lvenable@tnstate.edu
Telephone: (615) 277-1659

Current primary research endeavors: TECTA database analysis for early childhood workforce development.
Area(s) to further research: Social Science Research

Lisa Walsh

Coordinator
Tennessee State University
Email: lwalsh@tnstate.edu
Telephone: (615) 277-1687
Area(s) to further research:

Social Science Research

Stephanie Weeden-Wright, Ph.D.

Faculty
Lipscomb University
Email: stephanie.l.wright@vanderbilt.edu
Telephone: (206) 225-1010

Linda Woodruff

Coordinator/Instructor
Tennessee State University
Email: lwoodruff@tnstate.edu
Telephone: (615) 963-5868

Letha Woods, Ph.D.

Assistant Professor
Meharry Medical College
Email: lwoods@mmc.edu
Telephone: (615) 327-6533
Area(s) to further research:

Behavioral and Cognitive Sciences Research
