ARTIFACT DEVELOPMENT

CRITERION	HIGH	MODERATE	LOW
Rationale	Rationale answers what is it? What does the artifact say about your growth? What has changed since the artifact? Why is it filed under the standard it is under?	Rationale answers less than 4 critical questions.	Rationale lacks reflectiveness.
Writing	99% of artifacts are original work, correctly spelled, grammatically correct, free of whiteout or erasures, typed, consistent formatting.	90% of artifacts have at least three of 6 critical components of professionalism.	Less than 90% of artifacts have at least three of 6 critical components of professionalism.
Selectiveness	3-5 current artifacts are chosen to demonstrate each organizing standard.	Less than 2 or more than 5 artifacts are included for each organizing standard.	Artifacts are missing for some organizing standards or artifacts are more than 3 years old.
