## ACKNOWLEDGEMENTS

The preparation of this handbook has been a collaborative contribution of faculty and administrators with the Colleges and Schools of Education, teacher education program coordinators, Metro-Nashville Public Schools, Sumner County Schools, graduate assistants, and administrative staff.

The first edition was prepared by Drs. Fannie Cathey, Mary B. Dunn, and Dean Roberts. A revised edition was prepared by Carol Stice, Robert Emans, James Head, Geraldean Johnson, Catana Starks, Katie White, Ada Willoughby, Herman Beasley, Leslie Drummond, Ruby Martin, Shirley Neal, Fannie Cathey, Mr. William Cummings, Ms. Rosetta Pride (graduate intern), Judith Presley, William Johnson, Mrs. Linda Fair and (Metro-Nashville Public Schools) Mrs. Ann Black, Belinda Jackson, Kathleen Mance, Sharon Nichols, Bobbie Williams, and Mr. Paul Bass, Melvin Bell, Leroy Lyle, and Michael Morgan.

Dr. Nicole Arrighi, Assistant Dean for Teacher Education and Student Services, revised current edition.

Tennessee State University is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award associate, baccalaureate, master's, specialist in education, and doctoral degrees. Degree-granting institutions also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Tennessee State University may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling 404-679-4500, or by using information available on SACSCOC's website ([www.sacscoc.org](http://www.sacscoc.org)).

# Welcome

Dear Pre-Residency Candidate,

I am writing to welcome you to the teacher preparation program at Tennessee State University. I am so excited to have you join our community of learners and educators. I know that you have made a big decision to become a teacher, and I want to commend you for that. Teaching is a noble profession, and it is one that I am passionate about. I believe that teachers have the power to change the world, and I am confident that you have the potential to be a great teacher.

Our teacher preparation program is designed to give you the knowledge, skills, and dispositions you need to be successful in the classroom. We will focus on preparing you to teach in a diverse and challenging world. We will also emphasize the importance of social justice and equity in education.

I know that you are probably feeling a mix of excitement and nervousness right now. That is perfectly normal. Change can be scary, but it can also be exciting. I want to assure you that you are in the right place. We are here to support you every step of the way.

I encourage you to get involved in our program and community. We have a lot to offer, and I know that you will benefit from being a part of it. We have student organizations, clubs, and activities that you can participate in. We also have a strong mentoring program that can help you connect with experienced teachers.

I am confident that you will have a successful experience in our teacher preparation program. I am excited to see what you will accomplish in the future.

Welcome to the *Teaching Tigers* family!

Sincerely,

*Dr. Nicole Arrighi*

Assistant Dean – Teacher Education

## Overview of the Teacher Education Program

The College of Education (CoEd) offers professional education courses and field experiences for pre-service and in-service early childhood, elementary, middle school, and secondary teachers, counselors, supervisors, administrators, and speech pathologists. The professional education component provided by the CoEd considers both practical and axiomatic knowledge while developing the competencies and confidence necessary for success as a professional educator. All courses, including field experiences, are guided by the Conceptual Framework. The general learning outcomes and the organized theme provide a structure for planning the courses, field experiences and clinical experiences.

### Mission Statement:

Tennessee State University highly values life-long learning, diversity, and commitment to service. The TSU Educator Prep Program (EPP) reflects that focus by fostering diversity of candidate teaching placements, intensive clinical experiences and support for participation in service activities. It is through these experiences that we prepare effective teachers and responsible global citizens.

**The Teacher Education Student Services office (TESS)** tracks the candidates' progress throughout the residency. Specifically, this unit

- Coordinates all processing of documents
- Reviews admission packets to the Teacher Education program
- Oversees placement of teacher education candidates by the Field Placement and Clinical Experience Coordinator
- Submits required paperwork to the state for certification validation

### Professional Assessments for Tennessee Educators

II. 2.a. (Pedagogical Assessment) Individuals applying for an initial teacher license shall submit qualifying scores on the applicable edTPA® assessment.

III. 4.a. (Specialty Area Content Assessments) **Beginning June 1, 2023**, the submission of qualifying scores on a specialty area content assessment is not required for individuals seeking a practitioner license if the educator has completed a State Board-approved educator preparation program.\*

*\*Biology, Chemistry, English, History/U.S. Government, and Math are excluded from edTPA® performance assessment.*

## Program Content/Completion

In order to be recommended for an initial teaching license, aspiring educators must successfully complete the program requirements, which include:

- Qualifying Praxis II specialized exam (*if required, for their endorsement area*)
- Best for All – *Reading 360* literacy course
- Coursework affiliated with the following degree program
- Year-long Residency, consisting of
  - Seven (7) TEAMS evaluations, across fall (3) and spring (4) semester of senior year
  - Weekly Log Reflections
  - Submission of edTPA® performance assessment
- Favorable ratings of disposition assessment forms

## Candidate Support Team

Each aspiring educator will have a support team that is composed of, at minimum:

- University Faculty
- Field Placement Teacher(s)
- TSU Academic Advisor

In addition, candidates are encouraged to develop their own network of support which may include other teachers in the building and/or content area, professional networks, and external professional organizations.

## Special Problems: Withdraw from Teacher Education Program

Tennessee State University Teacher Education Program assumes an obligation to the public schools and the students therein. Each teacher candidate is expected to conduct him/herself in a manner consistent with the university's mission and professional disposition of the college. University Faculty and field placement teachers can submit a disposition deficiency form in the event **there are dispositional issues that impact the candidate's ability to have a positive impact during Pre-Residency. This allows a remediation plan to be established amongst the advocacy team, as a first attempt to eliminate concerns.**

Occasionally, a candidate's performance or other problems are so acute that there is a question concerning his/her continuance in the classroom. Any teacher candidate who fails to act accordingly will be subject to review by the Equity Council. The committee will make recommendations for intervention or disciplinary action, including removal from residency placement and/or the teacher education program.

## **Council for the Accreditation of Educator Preparation (CAEP)**

Teacher preparation programs for undergraduate and graduate programs for the preparation of teachers and related professionals are accredited by the Council for the Accreditation of Educator Preparation (CAEP). The education program at Tennessee State University provides such opportunities for candidates to learn and evaluate theories and principles of sound educational practice.

Here are some of the benefits of CAEP accreditation:

- It ensures that teacher preparation programs are preparing teachers who are ready to teach effectively. CAEP accreditation standards are based on research on what it takes to be an effective teacher. Programs that are accredited by CAEP must demonstrate that they are meeting these standards.
- It provides a framework for continuous improvement. CAEP accreditation is not a one-time thing. Programs must undergo a rigorous review every seven years to maintain their accreditation. This process helps programs identify areas for improvement and make changes to ensure that they are always providing the best possible preparation for teachers.
- It promotes equity and diversity in the teaching profession. CAEP accreditation standards require programs to prepare teachers who are culturally responsive and who can teach all students, regardless of their background. This is important because a diverse teaching force is essential for ensuring that all students have access to a high-quality education.
- It increases the visibility and reputation of teacher preparation programs. CAEP accreditation is a valuable credential that can help teacher preparation programs attract students, faculty, and funding. It also signals to employers that the program is preparing teachers who are ready to teach effectively.

# Understanding the INTASC Standards

The Interstate Teacher Assessment and Support Consortium (INTASC) is a national organization that developed a set of standards for what all teachers should know and be able to do to be effective in today's classrooms. The INTASC standards are divided into 10 areas:

## 1. Learner Development

- Teachers understand how learners grow and develop, and they use this knowledge to create learning experiences that are appropriate for their students' individual needs.

## 2. Learning Differences

- Teachers understand that all students learn differently, and they use this knowledge to create a classroom environment that is welcoming and inclusive for all students.

## 3. Learning Environments

- Teachers create a classroom environment that is safe, respectful, and supportive of learning.

## 4. Content Knowledge

- Teachers have a deep understanding of the subject matter they teach, and they are able to use this knowledge to create engaging and effective lessons.

## 5. Application of Content

- Teachers are able to use their content knowledge to design and deliver instruction that is relevant to students' lives and that helps them develop critical thinking skills.

## 6. Assessment

- Teachers use a variety of assessment methods to gather information about student learning, and they use this information to inform their instruction.

## 7. Planning for Instruction

- Teachers plan instruction that is aligned to state standards and that is appropriate for their students' individual needs.

## 8. Instructional Strategies

- Teachers use a variety of instructional strategies to engage students and help them learn.

## 9. Professional Learning and Ethical Practice

- Teachers engage in ongoing professional learning to improve their practice, and they uphold high ethical standards in their work.

## 10. Leadership and Collaboration

- Teachers are leaders in their schools and communities, and they collaborate with others to improve student learning.

The INTASC standards are a valuable resource for teachers, teacher educators, and policymakers. They provide a clear and concise framework for what it means to be an effective teacher in today's classrooms.

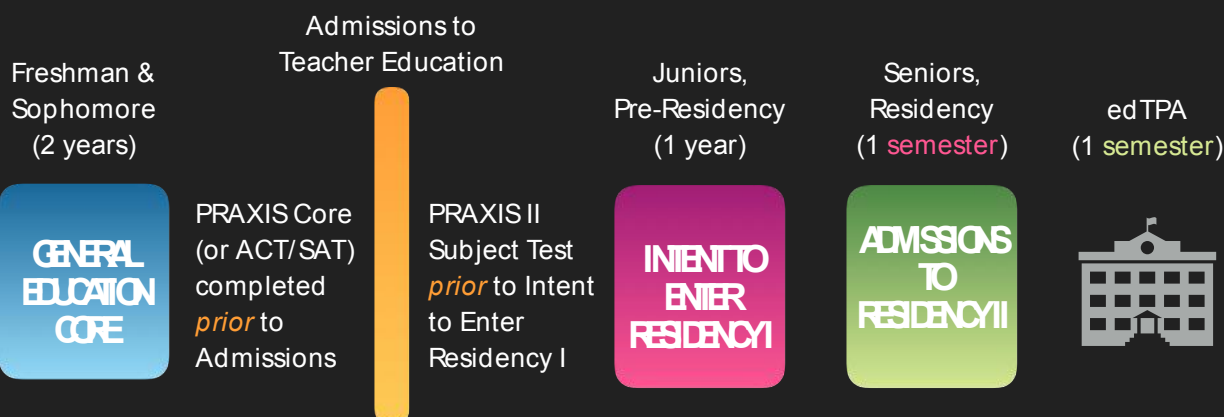

## What is Pre-Residency?

The Pre-Residency year is the first phase in the “campus to classroom” transition for aspiring educators. Interdisciplinary method courses in humanities, language arts, science and mathematics for elementary and secondary schools address general teaching methods and provide opportunities for developing skills in planning and instructional strategies prior to the yearlong Residency. In-school observation and participation (levels I, II, and III) with teachers and learners are key components of the methods courses, providing both a “real-world” dimension to the study of methods and a gradual immersion into the culture of the classroom. Pre-service teachers will be expected to work with an individual and/or groups of learners in approved events and experiences.

### PRE-RESIDENCY TIMELINE SUPPORT

- ▶ Advisement that leads to certification and graduation.
- ▶ Intentional alignment to prepare candidates for required benchmarks.
- ▶ Professional development as a means to support “campus to classroom” experiences in field placement.

**Field Experiences and Clinical Experiences** at Tennessee State University are designed based upon a four-tiered scheme, as shown below. This scheme applies to *all* programs, undergraduate post-baccalaureate, and graduate (advanced). Course instructors are expected to identify in course syllabi the experience level(s) for all school-based activities or community-based service-learning activities.

| <b>Level I</b>   | <b>Level II</b>  | <b>Level III</b>   | <b>Level IV Clinical</b>  |
|--|--|--|---|

## Early Childhood (Pre-K) and Elementary (K-5) Certification

The Early Childhood and Elementary licensure options require that candidates take several methods courses with co-requisite field study courses:

EDCI 2100 – Field Study I (**fall, Pre-Residency**)

EDCI 2200 – Field Study II (**spring, Pre-Residency**) and

These courses present integrated teaching methods appropriate to the early childhood (PreK-3) or elementary (K-5) classroom. Extensive supervised and evaluated field experiences complement these courses.

### Early Childhood Candidates:

- Pre-Field Study Observations (EDEC 1010/EDEC 2010)- PreK Inclusive Classroom/Preschool (Field Study-at least two different public school settings and a minimum of one placement in an urban or Title I school)
- Field Study 1- K or 1<sup>st</sup> grade inclusive classroom (Junior Year/First Semester- 60 hours)
- Field Study 2- 2<sup>nd</sup> or 3<sup>rd</sup> grade inclusive classroom (Junior Year/Second Semester- 70 hours)

Elementary Candidates: (at least two different public-school settings and a minimum of one placement in an urban or Title I school)

- Pre-Field Study Observations (EDCI 2010/EDCI 2420) any K-5 classroom if applicable
- Field Study 1- K, 1st, or 2<sup>nd</sup> grade classroom (Junior Year/First Semester- 60 hours)
- Field Study 2- 3rd, 4<sup>th</sup> or 5<sup>th</sup> classroom (Junior Year/First Semester- 60 hours)

## **Secondary (6-12) Certification**

Secondary candidates take EDLI 4910 – Reading and Study in Secondary Schools and EDCI 3870 – Curriculum Development. These courses should be taken in the **spring semester of Pre-Residency** and each course contains observation/participation field experiences component.

\*Note: Candidates interested in Music (Instrumental/Vocal), Visual Arts, Health, or Physical Education are licensed K-12, which include the elementary grades. Yet, the method courses will mirror those of the secondary grades.

# Candidate Responsibility & Expectations

## Professional Liability Insurance

All candidates are responsible for obtaining appropriate liability insurance. Many professional organizations, like the [Tennessee Education Association](#), offer their members professional liability insurance at discounted rates.

***\*At no time during the Pre-Residency should the Candidate be alone with the student in the classroom.***

## Pre-Residency Candidate Responsibility

The Pre-Residency candidate has the responsibility to:

- Become familiar with the school system – its policies, regulations, procedures, and available services.
- MUST NOT be the official witness to corporal punishment.
- MUST NOT administer any medication to a student.
- Become familiar with the school, its community, faculty, organization, regulations, curriculum, and physical plant.
- Provide the cooperating teacher a time schedule for the semester.
- Be punctual and dependable.
- Be receptive to suggestions.
- Become acquainted with students as soon as possible.
- Make appropriate instructional plans under the direction of the cooperating teacher.
- Learn how to keep written school record and perform other duties.
- Maintain appropriate standards of personal grooming.
- Abide by all the rules, regulations and time requirements of your field placements.

## Pre-Residency Candidate Expectations

- To be treated as a professional.
- To be accepted as a co-worker on the teaching staff including the privilege of attending professional meetings.
- To have guided access, within the regulations of the school, to confidential material concerning pupils with whom s/he works on an educational need to know basis.
- To be advised on policies, regulations, teaching materials and supplies of the school.
- To receive frequent feedback from the cooperating teacher concerning progress and assistance in self-evaluation.
- To have equal access to school facilities.

## Establishing Norms

It is important for candidates to read the school handbook and become familiar with all rules and regulations of the school; and abide by not only the general rules and regulations of the school but also the specific classroom management guidelines established and implemented by the cooperating teacher. There will be fewer problems if the Candidate enforces the rules set forth by the cooperating teacher. If there are dispositional issues that impact the candidate's ability to have a positive impact during Residency, please complete a *disposition deficiency form* and return to the Office of Teacher Education (see Appendix). This allows a remediation plan to be established amongst the advocacy team.

## Personal Appearance

Pre-Residency should dress appropriately as a professional educator. Tattoos and body jewelry other than earring should not be visible in the school environment (or an instructional distraction, if seen). You must adhere to the dress code at your assigned school. Please bear in mind that you represent the University, and your attire should not be too casual regardless of what the teachers in the school are allowed to wear. For additional information, see the dress code policy for your district and school.

# Definition of Roles

Individual responsibilities for all personnel involved in the clinical semester are described below.

## Assistant Dean for Teacher Education and Student Services

The Assistant Dean/Director of Teacher Education is responsible for all operations in the Office of Teacher Education and Student Services. Placement requests involving public school settings are made through the Office of Student Services and Teacher Education. Local school systems provide lists of approved schools and teachers.

# Teacher Performance Assessment Overview

*\*Image and description courtesy of Pearson Education, Inc.*

Stanford University faculty and staff at the Stanford Center for Assessment, Learning, and Equity (SCALE) developed edTPA®. They received substantive advice and feedback from teachers and teacher educators and drew from experience gained from over 25 years of developing performance-based assessments of teaching (including the National Board for Professional Teaching Standards (NBPTS), the Interstate Teacher Assessment and Support Consortium (InTASC) Standards portfolio, and the Performance Assessment for California Teachers.

The design and review teams have included hundreds of university faculty, national subject-matter organization representatives (e.g., NCTM, NCTE, NSTA, etc.), and K–12 teachers. Stanford University is the exclusive author and owner of edTPA®.

edTPA® is a performance-based, subject-specific assessment and support system used by teacher preparation programs throughout the United States to emphasize, measure and support the skills and knowledge that all teachers need from Day 1 in the classroom. For each handbook field, the placement is a Pre-Kindergarten to 12th grade classroom. edTPA® is a subject-specific assessment that includes versions for 28 teaching fields. The assessment features a common architecture focused on three tasks: Planning, Instruction, and Assessment.

Aspiring teachers must prepare a portfolio of materials during their student teaching clinical experience. edTPA® requires aspiring teachers to demonstrate readiness to teach through lesson plans designed to support their students' strengths and needs; engage real students in ambitious learning; analyze whether their students are learning, and adjust their instruction to become more effective. Teacher candidates submit unedited video recordings of themselves at work in a real classroom as part of a portfolio that is scored by highly trained educators. edTPA® builds on decades of teacher performance assessment development and research regarding teaching skills and practices that improve student learning.

[Learn more About edTPA®.](#)

## **Tennessee edTPA® Requirements (effective score requirements: January 1, 2022)**

Candidates must score a minimum of **40** out of 75 on the edTPA® portfolio to be recommended for licensure and, at the graduate level, receive your degree from the Tennessee State University Teacher Education Program. If a Candidate fails to achieve the minimum score, remediation is required before the Candidate resubmits the portfolio in part or total. **Candidates are required to pay all costs associated with resubmission.**

# State of Tennessee – Professional Code of Ethics\*

**\*Candidate must review and submit the signed agreement of the TN Teacher Code of Ethics (see below) and the NASDTEC Model Code of Ethics for Educators (MCEE).**

## **Tennessee Teacher Code of Ethics Preamble**

*An educator, believing in the worth and dignity of each human being, recognizes the supreme importance of the pursuit of truth, devotion to excellence, and the nurture of democratic principles. Essential to these goals is the protection of freedom to learn and to teach and the guarantee of equal educational opportunity for all. An educator accepts the responsibility to adhere to the highest ethical standards.*

*The educator recognizes the magnitude of the responsibility inherent in the teaching process. The desire for the respect and confidence of one's colleagues, of students, of parents and of the members of the community provides the incentive to attain and maintain the highest possible degree of ethical conduct.*

## **PRINCIPLE I Educator's Obligation to the Students**

An educator shall strive to help each student realize the student's potential as a worthy and effective member of society. An educator therefore works to stimulate the spirit of inquiry, the acquisition of knowledge and understanding, and the thoughtful formulation of worthy goals.

In fulfillment of the obligation to the student, the educator must:

1. Not unreasonably restrain the student from independent action in the pursuit of learning.
2. Not unreasonably deny the student access to varying points of view.
3. Not deliberately suppress or distort subject matter relevant to the student's progress.
4. Make reasonable effort to protect the student from conditions harmful to learning or to health and safety.
5. Not intentionally expose the student to embarrassment or disparagement.
6. Not on the basis of race, color, creed, sex, national origin, marital status, political or religious beliefs, family, social or cultural background, or sexual orientation, unfairly:
  - a. Exclude any student from participation in any program.
  - b. Deny benefits to any student.
  - c. Grant any advantage to any student.
  - d. Not use professional relationships with students for private advantage.
  - e. Not disclose information about students obtained in the course of professional service unless disclosure serves a compelling purpose or is required by the law.

## **PRINCIPLE II Educator's Obligation to the Education Profession**

The education profession is vested by the public with a trust and responsibility requiring the highest ideals of professional service.

In the belief that the quality of the services of the education profession directly influences the nation and its citizens, the educator shall exert every effort to raise professional standards, to promote a climate that encourages the exercise of professional judgment, to achieve conditions that attract persons worthy of the trust to careers in education, and to assist in preventing the practice of the profession by unqualified persons.

In fulfillment of the obligation to the profession, the educator shall not:

1. Deliberately make a false statement or fail to disclose a material fact related to competency and qualifications in an application for a professional position.
2. Misrepresent his/her professional qualifications.
3. Assist entry into the profession of a person known to be unqualified in respect to character, education, or other relevant attribute.
4. Knowingly make a false statement concerning the qualifications of a candidate for a professional position.
5. Assist a non-educator in the authorized practice of teaching.
6. Disclose information about colleagues obtained in the course of professional service unless disclosure serves a compelling professional purpose or is required by law.
7. Knowingly make false or malicious statements about a colleague.
8. Accept any gratuity, gift, or favor that might impair or appear to influence professional decisions or actions

## Intent to Enter Year-long Residency (Undergraduate Only)

*Please TYPE on the application!*

**Intent to Enter Year-long Residency** starts the culminating experience for licensure candidate as they make the “campus to classroom” transition. Aspiring educators serve as the lead instructor under the supervision of a mentor teacher and master clinician. The Residency I (fall) semester concludes methods coursework with intentional focus on edTPA preparations. The Residency II (spring) semester is the culminating experience for candidates to showcase their knowledge, skills, and dispositions of an emerging educator. The edTPA performance assessment is completed during this semester to evaluate the planning, instruction, and assessment abilities necessary for full certification.

## Process for Assessing Teacher Candidates' Disposition

Tennessee State University Teacher Education Program assumes an obligation to the PK-12 public schools and to the students therein. Therefore, each teacher education candidate is expected to conduct him/herself in a manner consistent with the university's mission and professional dispositions of the college.

The College of Education conceptual framework promotes the development of its teacher candidates as facilitators of learning—caring, competent professionals with a multicultural perspective. Candidates are expected to demonstrate behaviors that are indicative of dispositions characteristic of effective teachers and align with the INTASC standards.

Teacher candidates will be made aware of disposition expectations upon their admittance into the teacher education program. However, discussions on professional growth and etiquette will be reinforced in pre-requisite courses, student advising, and pre-professional student organizations.

In the TSU teacher education program, teacher candidates are expected to demonstrate professional dispositions throughout their program (refer to Disposition Matrix). Ten (10) courses have been targeted to assess student disposition: **EDCI 2010, EDCI 2100, EDSE 3330, EDCI 3120, EDCI 3500, EDCI 2200, EDLI 3500, EDCI 4190, EDCI 3220, EDLI 4500, EDCI 3870, EDLI 4910, EDCI 4550, EDCI 4600, EDCI 4620, EDCI 4705, EDCI 4706, and EDCI 4720.**

Post-baccalaureate candidates enrolled in the licensure courses are also subject to the same dispositional guidelines as undergraduate majors. The following courses have been targeted to assess student disposition at the post-baccalaureate: **EDCI 5000, EDCI 5840, EDSE 5530, EDCI 5190, EDLI 5610, EDCI 5715, EDCI 5290, EDCI 5830, EDCI 5820, EDCI 5270, and all EDSE courses under the Interventionist program.** These course instructors will check each candidate's proficiency and report any deficiencies for targeted dispositions.

Disposition deficiencies are not seen as weaknesses, but areas of improvement for teacher candidates. Once a disposition deficiency is reported, the instructor and/or PK-12 teacher will meet with candidate to discuss deficiency report and develop a remediation plan. Candidate will be given a copy of remediation plan and any other form requiring their signature.

College instructors and/or PK-12 teachers working with the teacher candidate can report disposition deficiencies (see DDF-1). Early deficiency reports can be provided to student on/before midterm week. Final reports will be submitted at the end of each semester (with any preliminary forms). The Professional Education Committee will monitor candidate's file for additional DDF forms. A candidate receiving a total of four (4) disposition deficiency forms may be subject to probation or removal from teacher education program.

**Remediation Step 1:**

Upon receiving first disposition deficiency report (DDR), the candidate will complete remediation plan and adhering to recommendations provided by instructor and/or PK-12 teacher.

**Remediation Step 2:**

*(Candidate has received a second DDR.)*

In addition to completing a remediation plan (as indicated in RS1), candidate will meet with advisor within seven (7) days for academic and portfolio analysis. Advisor may submit additional recommendations to the remediation plan to deter any future DDR.

**Remediation Step 3:**

*(Candidate has received a third DDR.)*

Remediation Steps 1 and 2 are followed; however, candidate is *not* able to amend the timeframe for DDR.

Candidate will sign a form acknowledging that a fourth DDR may result in probation or removal from teacher education program. Candidate's name is submitted to Teacher Education Office (105 Clay Hall) to be compiled for further analysis of increased intervention services.

**Remediation Step 4:**

*(Candidate has received a fourth DDR.)*

Candidate is subject to dismissal from the Teacher Education program.

**Candidate has the right to appeal; however, request must be filed within seven (7) days.**

# COLLABORATING TO PROMOTE EFFECTIVE INSTRUCTION

## Teachers Who Support Teacher Candidates

edTPA® thanks cooperating teachers for the essential role they play to support and mentor teacher Candidates. These teachers are helping to ensure that all beginning teachers are prepared to teach effectively. In many states this work includes edTPA®, an assessment and support system that requires Candidates to demonstrate what they can and will do in the classroom to help all students learn.

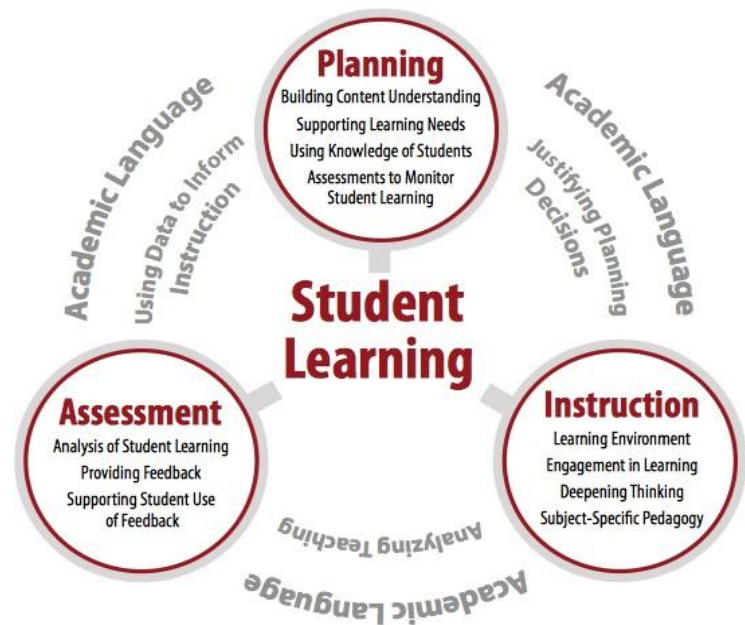

edTPA® is intended to be used at the end of an educator preparation program for program completion or teacher licensure and to support state or national program accreditation.

P–12 teachers who supervise or support teacher Candidates in their clinical experiences will see how the edTPA® process encourages feedback and self-reflection that nurtures professional growth and preparation for classroom instruction. edTPA® also supports the school in which Candidates teach. Teacher Candidates will develop lesson plans to engage students in learning consistent with the host school’s standards and curricula.

## Evidence of Effective Practice

Teacher Candidates preparing for edTPA® will document their classroom work by submitting a portfolio that includes lesson plans, student assignments, assessments, unedited video clips of the Candidate teaching, and commentaries on student learning and how the Candidate adjusted instruction to meet student needs.

## The edTPA® Teaching Cycle is Focused on Student Learning
