

ACADEMICALLY SPEAKING

WHAT SERVICES ARE PROVIDED?

- ✓ Personalized pronunciation improvement sessions at convenient times & locations
- ✓ Team members assist faculty to identify communication differences and map out a plan for improvement

OBJECTIVE

To strengthen all aspects of a faculty member's English speaking ability especially within academic contexts.

PARTICIPANTS

Academically Speaking is designed for faculty (tenure track, non-tenure track and adjunct) whose oral English proficiency presents a challenge to student learning.

Faculty Proficiency in Oral & Written English

The ability to communicate effectively is an essential skill necessary for all academic personnel to perform successfully at the Institution.
