CAMPER ACTIVITY AND TRAVEL RELEASE

I, _____ have decided to participate in summer camp activities scheduled to involve recreational and creative activities, cooking, and travel within the greater Nashville-Davidson County Metropolitan area. My participation is entirely voluntary.

I am not suffering from any medical condition, impairment, or disease that would prevent my safe participation in any of the activities involved in this camp or any program or activity in which I will be involved during the camp or that would prevent my participation in camp activities. I will use care for my own safety and well-being. I have not been advised by a physician or any other health care provider to limit my travel or recreational activities. I assume all responsibility for my participation in the activities and injury while participating in camp activities and travelling to and from camp activities.

I understand that travel and related activities, whether by automobile, shuttle, other vehicle or on foot, is potentially hazardous. The inherent risks include injury, accident, and death. I have reached the age of majority, and I am competent to make this decision for myself, or, if I am a minor, I have obtained the permission of a parent or legal guardian. I agree to assume and expressly accept all risks related to camp and travel activity, including injury or death.

TSU and the State of Tennessee assume no responsibility personal injury or for conduct by any person, whether a program participant or not, for personal property loss, including loss of clothing, jackets, shoes, eyeglasses, or back packs, luggage, purses, wallets, calculators, cameras, cell phones, computers, or PDA's, books, jewelry, money, and video or audio equipment.

I agree to not hold TSU liable for any loss or injury that occurs while I am traveling or participating in the trip or related activities. I excuse, release and forever discharge the State of Tennessee, TSU, its officers, agents, employees, and representatives (the "releasees") from any and all liability for injuries or damages resulting from my participation in the cycling event, any related activities, travel or my use of equipment. I also release the releasees from any responsibility or liability for injury or damage to myself or injury or damage I cause to others, including that caused by the negligent act(s) or omission(s) of releasees or in any way arising out of or connected with my participation in any travel, event or related activity, or the use of any vehicle or equipment, whether owned by myself or others. This release will also prevent my family from suing releasees and binds my spouse, if I have one, my estate, siblings, parents, heirs, and assigns. I acknowledge that TSU will not provide medical treatment or medical coverage if I am injured or if I injure someone else, and that TSU will be in no way responsible for any injury, loss or untoward event that occurs.
